

CityVibe is a new perspective for city lifestyle, dating, advertisement etc...

I am CEO and founder of Etact Ltd. based in Dublin.

I would like to present to you our CityVibe app, and the best way is to watch short demo video at the top of the home page:

www.mycityvibe.net.

As well you can download the app from Android or IOS store (CityVibe).

We are seeking investors in commercialization phase of the App.

Best Regards
