The Pain

Recipe for failure

Our Solution

Wireless Personal
Presentation Device (PPD)

Our Technology

Proprietary software protocol
Zero Time Setup (ZTS) Technology

How it works

Select a file

Present

One click stress free experience

Engagement Platform

“WeKast Engage” Collaboration Platform

- ✓ Share your slides
- ✓ Collect feedback in real time
- ✓ Follow up with attendees

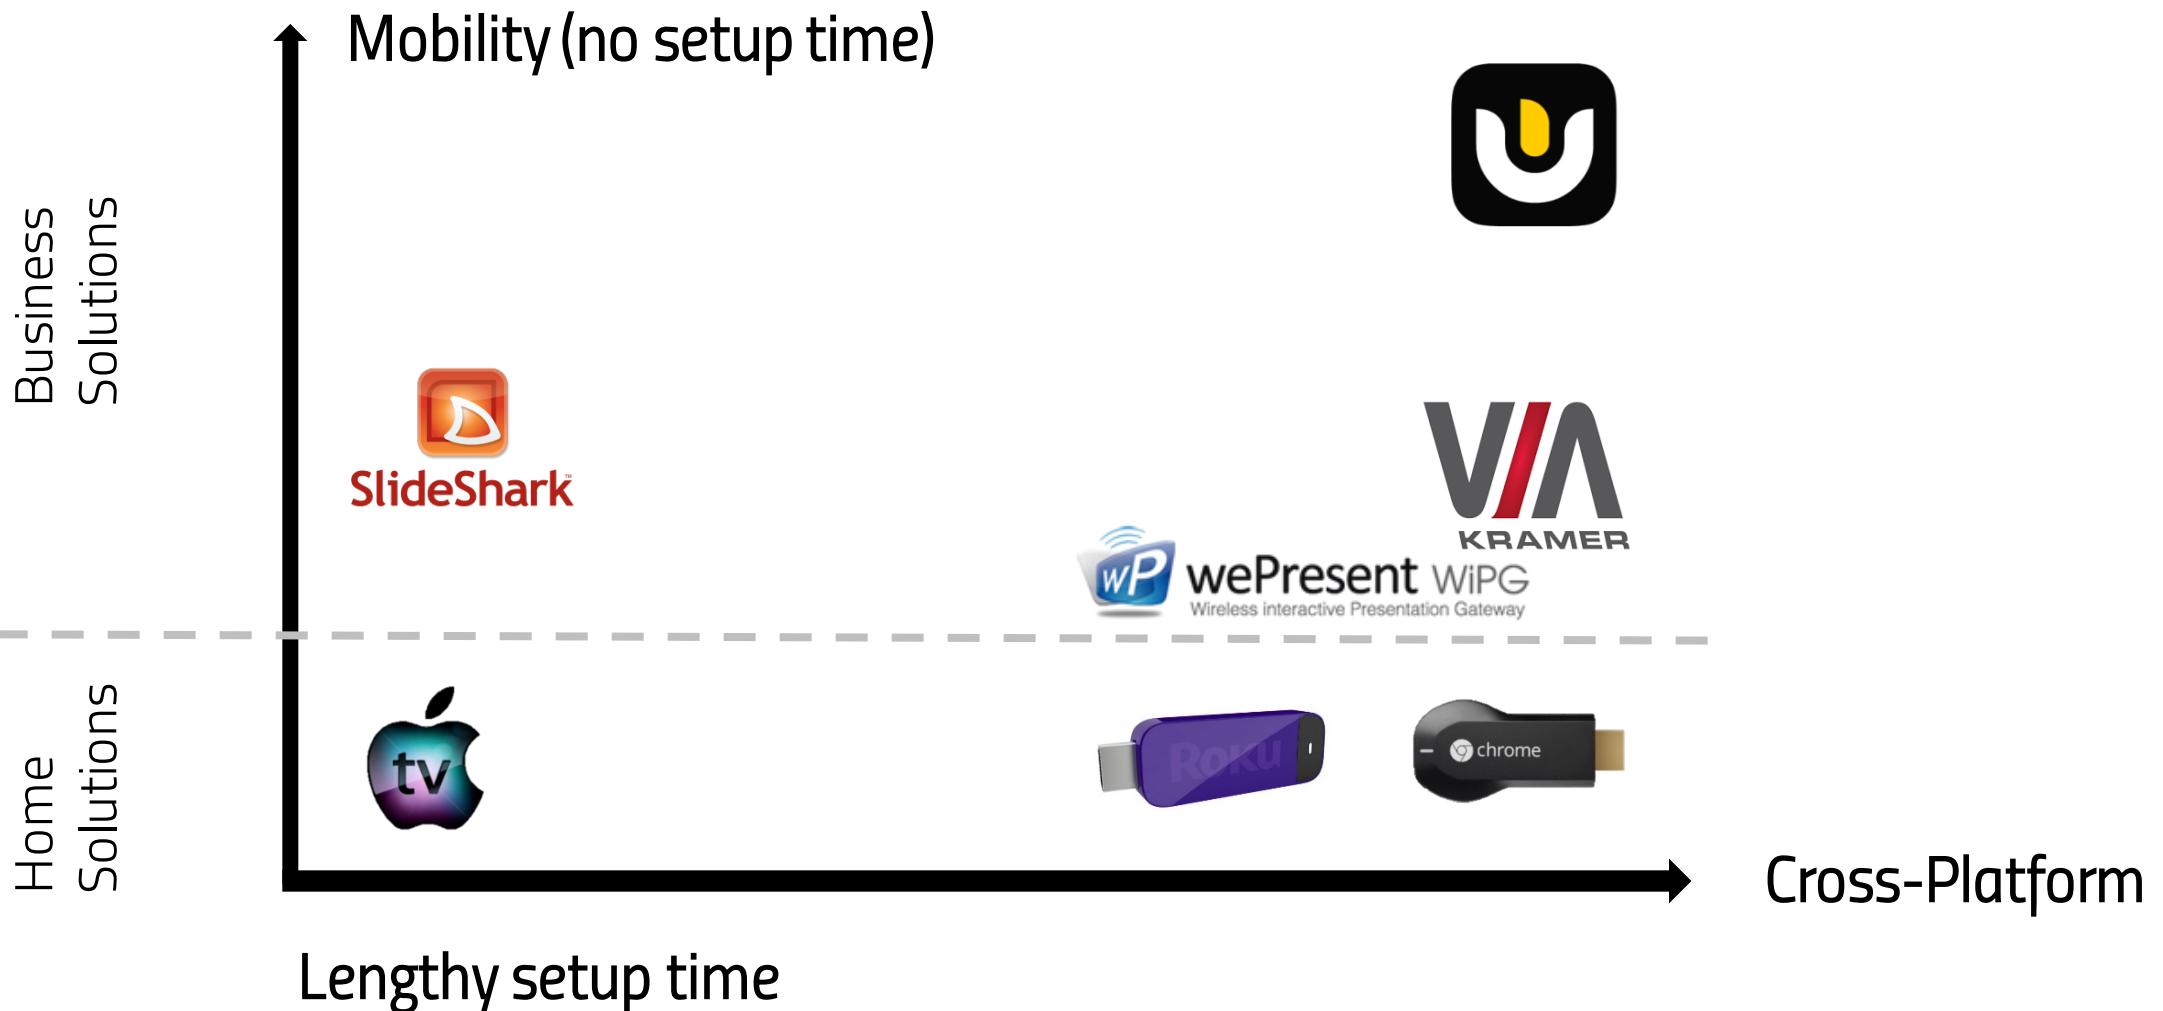

Hack DLD New Feature For Event Organizers

Presentation Management Made Easy!

- ✓ Collect presentations and video from all the presenters
- ✓ Eliminate the thumb-drive-dance and the podium
- ✓ Tag and organize the files by speaker, room, event or any other criteria
- ✓ Present from your phone - no need for clickers
- ✓ Speaker can track his time and finish on time!

Differentiation
